## BUILDING SAFETY CERTIFICATE

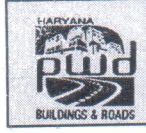

I have personally visited & inspected the site existing School Building at Panipat City in the name of Govt. Model Sanskriti Sr. Sec. School G.T. Road Panipat Tehsil and Distt. Panipat.

As per my observation and opinion there are Total 86 Rooms in the school including labs. Out of 86 Rooms 37 Rooms (31 Rooms are declared condemned by PWD & 6 Rooms are in poor condition) are unsafe and 49 Rooms are structurally sound & good maintained condition at this time. These are safe and stable.
